

# Unity Day

This is a day to come together to celebrate each other's differences and practice acceptance and kindness.

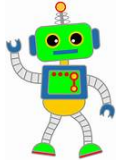

This day is often celebrated by wearing the color orange and participating in activities that help raise awareness of bullying.

## Unity Words:

RESPECT -

PEACE -

UNITY -

## Unity and VEX challenge:

- Discuss our classroom UNITY word.
- Move into our VEX groups.
- Each group will be assigned a letter from our UNITY word.
- Once you receive your group letter, discuss and design how you will create your letter (put your ideas in your notebook).
- Begin to build your LETTER.
- When all letters are created, each group will share their letter and how they created their letter:
  - Which VEX parts did you use?
  - What was difficult with your build?
  - What part of your build was the easiest?
- Put all of the letters together and take a picture of the finished Unity (VEX) word.
